Form 1099-R

(8-99)

Department of the Treasury - Internal Revenue Service

Instructions for Recipient

Generally, distributions from military retired pay, pensions, annuities, profit-sharing and retirement plans, IRAs, insurance contracts, etc., are reported to recipients on Form 1099-R.

Additional information. You may want to see Form W-4P Withholding Certificate for Pension or Annuity Payments, Pub. 575, Pension and Annuity Income, Pub. 939, General Rule for Pensions and Annuities.

Recipient's identification number (TIN). For your protection, this form may show only the last four digits of your TIN (SSN, ITIN, ATIN, EIN). However, the payer has reported your complete identification number to the IRS.

Control Number. May show an account or other unique number the payer assigned to distinguish your account.

Box 1. - Shows the total amount distributed this year. For military retirees, this amount is the gross military retired pay you received, minus non-taxable items such as VA compensation, disability retirement, SBP/RSFPP premiums, etc. For annuity recipients, this amount is gross annuity, minus SSA offset and DIC. For former spouses, this is the distribution of court ordered division of property. Report the amount printed in Box 1 of the Form 1099-R on your Form 1040, 1040-SR or 1040-NR on the line for "Pensions and annuities" (or the line for "Taxable amount").

Box 2a. - This part of the distribution is generally taxable.

Box 2b. - Not used.

Box 4. - Shows federal income tax withheld. Include this amount on your income tax return as tax withheld, and if box 4 shows an amount (other than zero), attach Copy B to your return. Generally, if you are receiving annuity payments under the Survivor Benefit Plan, you can change your withholding or elect not to have income tax withheld by giving the payer a Form W-4P.

Box 7. - The code listed identifies the distribution you received:

3 - Disability; 4 - Death; or, 7 - Normal distribution. For more information on these distributions, see the instructions for your tax return. Certain distributions may be subject to an additional 10% tax. See the Instructions for Form 5329.

Box 9. - Not used.

Box 12. If checked, the payer is reporting on this Form 1099 to satisfy its Internal Revenue Code chapter 4 account reporting requirement under FATCA. You also may have a filing requirement. See instructions for Form 8938.

Boxes 14 and 15. - Box 14 shows state income tax withheld and Box 15 shows the state for the withholding.
